GO RIGHT AT IT.

Friends and Neighbors in Maysville Will Show You How.

Get at the root of the trouble. Rubbing an aching back may relieve it. But it won't cure it. You must reach the root of it—the kidneys.

Doan's Kidney Pills got right at it. Reach the cause; relieve the pain. They cure too so Maysville people say. Mr. W. L. Nicholson of 14 Court street employed by M. C. Russell & Sons, Grocers, says:

"The use of Doan's Kidney Pills by anyone who does much riding will help an aching back so quickly he will wonder greatly at the prompt and effective riddance of the trouble. I procured Doan's Kidney Pills at J. Jas. Wood & Son's drugstore corner of West Second and Market streets on the advice of a friend and the results obtained were so satisfactory that it is a pleasure to recommend the remedy to others whenever opportunity is offered."

THIS SHAPED BOX—NO OTHER

Every day sees an army of women who drag themselves to work or forcing themselves to attend to their household duties—women whose whole troubles lie in an over-strain or over-exertion at some time in the past—women who stay in this condition and think themselves beyond repair because they know nothing of the wonderful power of the Dr. A. W. Chase Nerve Pills to give them back their health, strength and vitality by their ability to resupply the lost nerve energy, to build up the system, to manufacture good, rich blood and give increased weight by making the digestion strong and vigorous.

Mrs. Ella Smith of No. 48 Miller street, Newark, N. Y., says: "Last summer I was so weak I staggered when I walked. I was very nervous, easily excited, could not rest nights, blood thin, the appetite poor, limbs trembled—I was indeed in a low stage of health. About this time I got a box of Dr. A. W. Chase's Nerve Pills, and though everything else had failed these pills put me on my feet in good health, and that quickly, too. It was not long before I was eating and sleeping well, the nervousness and trembling gone, the blood rich and my strength back. They are a grand medicine and as a consequence I am again vigorous and strong in every way."

MAYSVILLE, KY.

Now I can say my nerves are steadied, I sleep well, am not bothered with dizziness and my health is generally improved. I can recommend these pills as an excellent nerve tonic. They are for sale at Chamber's Drugstore."

The above illustration shows the famous JUMBO BUGGY, built by the Anchor Buggy Co. of Cincinnati and on exhibition at Klipp & Brown's. This immense buggy is the largest ever manufactured, and is built on a plan of four times the regular specifications of the ordinary vehicle. The height is again as great as the ordinary shop buggy with 42-44-inch wheels. If you were to take eight buggies and pile them two high, two wide and two deep it would give you the exact width, height and length of the Jumbo. The wheels of this buggy are 7 feet 4 inches in front, 8 feet 2 inches at the rear. The bed is 112 inches long, 44 inches wide, and the total height from the ground to the top is 18 feet, and the vehicle will carry easily and comfortably twelve people. The manufacturers, Anchor Buggy Co., have the distinction not only of building the largest buggy in the world, but also of building the best buggies in the world, and their immense trade is the result of furnishing good goods at fair prices.

AN EMPHATIC ANSWER

To all of that "Tommy Rot" that the Trust men have been feeding you! They were only "Guying" you! They are paid to sell you Trust machines at a big price! They have to offer some excuse for trying to sell you a light-weight, cheaply-constructed and inferior Binder at an advanced price! They dare not admit the truth! If they did no one would buy a Trust machine. So they all tell you that a Minnie Binder is "no good," while we tell you it is the best one on earth. **READ THIS STATEMENT AND DECIDE FOR YOURSELF WHO HAS LIED!** Some one is guilty!

FEESBURG, OHIO, April 21, 1903.

This is to certify that I have owned and successfully run for seventeen years a Minneapolis binder which has at any and all times given me complete and absolute satisfaction. This binder that I own—seventeen years old—is a matter of neighborhood gossip. The entire neighborhood knows just what this binder has done, as during that time I have continually cut wheat for my neighbors. This binder has been all over the neighborhood in the past seventeen years; has cut any and all kinds of grain, over any and all kinds of land, and is absolutely nonechokable. The same canvasses that were on the machine when I bought it are there yet, and I challenge any other binder to show a record of as many acres cut as this machine has cut, seventeen years old. I have practically spent no money for repairs upon this machine all during this time. Other binder companies knowing the age of this machine have all sent their salesmen to sell me a binder of some other make. To each and all of these agents I have made one, and only one reply, you could not give me anything but a Minneapolis binder. If anyone doubts the assertions made in this statement, they have only to ask any farmer in our neighborhood. There are some young farmers living in our neighborhood who remember distinctly that this binder cut their father's harvest before them. I wish to say to my brother-farmers that if they ever own a Minneapolis, they will own an Aeme of perfection in binder building.

My address is Feesburg where I can be found at any and all times and I solicit communication in person or by mail by man, woman or child who is interested in this matter.

Very respectfully,

LOUIS LOVE.

Gentlemen of Mason county: Mr. Love's old Binder is here in front of our store upon exhibition. Mr. Love only lives fifteen miles from Maysville. You can call upon him and his neighbors and see what this old Minnie has done. This old machine is guaranteed to yet cut 100 acres of grain. Come and look at this old warhorse; see the excellent condition it is yet in! Look at the gear and cog wheels and learn for yourself the excellent grade of material which goes into the construction of a Minnie Binder.

All rates and discounts heretofore made are abolished.

It was also ordered that after the 1st of April the old rate of the Company, "Gas will be turned off, if account is not paid within five days after presentation," shall be strictly and indifferently enforced, regardless of when it may concern. (This action was taken, not to appear arbitrary, nor with the idea that the accounts of the consumers were not perfectly paid any time during the month, or a year later for that matter, but for the good of all concerned and in order that this part of the business of the Company might be taken up at a specified time during the month and disposed of, and further in order that the time and thought of the Company's Agents and employees, who are largely occupied with this work of collecting, might, for the balance of the month, be directed towards giving consumers of gas better attention and more efficient supply and service.)

It was further ordered that, beginning the first of May, and for each and every month thereafter, the monthly statement of account of each consumer should be delivered to said consumer by an Agent of the Company on the first day of the month, or second day if the first comes on Sunday, and that said account should thereafter be due and payable at the office of the Company on Court street within five days, and if not so paid gas will be promptly shut off.

The Gas Company further announces that after the first day of April they will handle and sell at cost price to gas consumers any of the great variety of Gas Stoves and Ranges shown in the catalogue of the Detroit Stove Works, which price will be equivalent to 50c discount from the list prices in said catalogue. Said stoves will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance, take a gas range listed in catalogue at \$20; the Gas Company will sell this range to consumer for \$13 cash, or for \$2.50 cash at signing of lease and the rest paid monthly for seventeen months at the expiration of which time the range is sole property of consumer.

The Company has selected to handle the Detroit Jewel Gas Range on account of its known reputation for durability and economy in its consumption of gas.

The Gas Company will also handle at cost the fixtures and materials of the Welsh Company in all of their many attractive varieties.

Before closing this announcement the Gas Company wishes to publicly express its appreciation of the extremely fair, just and courteous treatment accorded them by His Honor, the Mayor, and Board of Council, particularly the Chairman and members of the Gas Committee, through whose efforts in behalf of the private consumers the above concessions in the price of gas are now made.

With the assurance to the citizens of Maysville that it will be the earnest effort of the Company and its Agents to give you the very best service at the very least cost, we beg to remain, very respectfully,

MAYSVILLE GAS COMPANY.

P. S.—On and after the 1st of April the Gas Company will have an exhibition at the plumbing establishment of Mr. Larry Langefels samples of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. You can leave your order for a range with any representative of the Gas Company, Mr. Langefels or your regular plumber, with either of the latter of whom you will have to make arrangements for connecting and fitting up range for use in case you place your order.
